### Specialist Services we can provide

#### Insurance Claims

RR offer a professional Project/Cost Management service on all types of property related insurance claims. These services include:

- ◆ Property Inspection and photographic record of damage,
- ◆ Accurate estimates of construction costs associated with remedial and/ or repair works required,
- ◆ Preparation of detailed report for insurance company/loss adjuster/ building owner,
- ◆ Negotiation with insurance company / lost adjuster on your behalf,
- ◆ Contractor recommendation, tendering and contract advice, project management of remedial works to completion.

**Detailed Cost Reports prepared for damage caused to domestic and commercial properties as a result of:**

- Flood Damage
- Storm Damage
- Fire Damage
- Accidental Damage

#### Insurance Reinstatement Value Assessments

In the current climate it is essential to minimise expenditure in order to remain competitive. By having appropriate levels of building re-instatement insurance, you can minimise premiums whilst also having the peace of mind that adequate insurance cover is in place. As Chartered Quantity Surveyors, Rogerson Reddan have the construction cost expertise and available skills necessary to advise and prepare building re-instatement cost reports on your behalf.
